

CURRICULUM VITAE

Prof.dr. Marianne Marijke Baronesse Sloet van Oldruitenborgh-Oosterbaan

Augustus 2018

Personal information

Name	Marianne Marijke Baronesse Sloet van Oldruitenborgh-Oosterbaan DVM, PhD, Dipl. ECEIM, Spec. KNMvD Equine Internal Medicine
Date of birth	August 13, 1955, 's Gravenhage, The Netherlands
Marital status	April 11, 1981, Ir A.B. Baron Sloet van Oldruitenborgh
Children	August 28, 1991, Joanna Willemina (Anneke) November 8, 1994, Eleonora Gerardine (Ellen)
Home address	“Eikenlust”, Kees Boekelaan 8, 3724 BA Bilthoven, The Netherlands
Phone	+31 30 2250485
Fax	+31 30 2258226
Website	www.eikenlust.nl
Work address	Department of Equine Sciences Yalelaan 114, 3584 CM Utrecht, The Netherlands
Phone	+ 31 30 2531350
Fax	+ 31 30 2531817
E-mail	m.sloet@uu.nl
Website	www.diergeneeskunde.nl www.eikenlust.nl

Degrees

1975-1982	DVM, Utrecht University, “cum laude”
1990	PhD, Utrecht University, “Heart rate and blood lactate in exercising horses”
2013	Professor of Equine Internal Medicine, Utrecht University

Selected distinctions and other merits

1992	Teaching Award - Faculty of Veterinary Medicine
1994	“Specialist Equine Internal Medicine” of the Royal Netherlands Veterinary Association (De-facto, after foundation)
1994	Teaching Award - Faculty of Veterinary Medicine
1996	Senior Qualification Research
1997	Senior Qualification Teaching
2000	“Award of Distinction” - Royal Netherlands Veterinary Association
2001	Qualified as “Equine Practitioner”
2001	Invited Specialist and Founding Diplomate of the European College of Equine Internal Medicine (ECEIM)
2009	Interpolis Award European Veterinary Conference ‘Voorjaarsdagen’
2011	Honorary member of the European College of Equine Internal Medicine
2017	Honorary Life Contributor Royal Netherlands Veterinary Association (KNMvD)

Courses

1983-2015	Numerous professional courses and congresses (for veterinary medicine, for teaching and for computer programming)
1996	'Management of Professionals' (Boertien and partners)
2000	'Professional Management in the University' (Leeuwendaal advies BV)
2009	'Interpersonal efficiency' (Team Time Training)
2010	'Professional assessment - for executives' (UU)
2011	'Changing a professional culture' (Eussen Executive Development BV)

Employment record

1982-1983	Part-time in private practice and part-time at the Faculty of Veterinary Medicine, Department of Large Animal Medicine, Utrecht University
1983-1990	Veterinary Assistant, Department of Large Animal Medicine
1990-1996	Assistant Professor, Department of Large Animal Medicine
1997-2006	Associate Professor, Department of Equine Sciences, Internal Medicine, Utrecht University and Head of the Equine Internal Medicine Clinic
2006-2013	Associate Professor, Department of Equine Sciences, Utrecht University
2013-present	Professor, Department of Equine Sciences, Utrecht University

Membership of professional bodies

KNMvD	Royal Netherlands Veterinary Association
GGP	Association of Equine Practitioners of the KNMvD
GVS	Association of Veterinary Specialists of the KNMvD
BEVA	British Equine Veterinary Association
AAEP	American Association of Equine Practitioners
AESM	Association of Equine Sports Medicine (later CESMAS)
ECEIM	European College of Equine Internal Medicine (Founding Diplomate)
KWPN	Royal Warmblood Studbook of the Netherlands
KNHS	Royal National Equestrian Federation of the Netherlands

Fields of teaching and research within Internal Medicine

- Equine exercise physiology
- Equine dermatology
- Equine emerging infectious diseases
- Upper airway diseases in horses
- Juridical veterinary medicine
- Equine sport medicine
- Equine neonatology
- Equine gastroenterology

Research (see also list of publications / presentations)

- *Main research subjects*
- | | |
|--------------|--|
| 1984-present | Large animal / equine internal medicine case studies |
| 1985-present | Equine exercise physiology |
| 2006-present | Insect bite hypersensitivity and other dermatology problems |
| 2008-present | Culicoides, ticks and other insects as vectors of (emerging) equine diseases |

- *Research projects with (partial) external funding*

Since 1995 ± 35 clinical research projects were performed with support of the government, the industry and other partners.

- *Supervised Research in PhD and MVR projects*

1991-1995	Engeline van Duijkeren – “TMPS in relation to equine Salmonellosis” - PhD
1994-1995	Carmen Scheffer - “ECG in the horse during exercise” - Master in Veterinary Research (MVR)
1995-2001	Suzanne Geelen – “High fat intake and equine lipid metabolism” - PhD
1999-2005	Lutz Goehring – “Neurological form of EHV1” - PhD
2000-2002	Anneke Panhuizen – “Research challenges in equine allergic skin disease” MVR, April 12, 2002
2000-2002	Marianne van der Linden – “Prospective and retrospective aspects of equine colic” - MVR April 12, 2002, in collaboration with prof. J. Fink-Gremmels
2000-2003	Annemarie Olsman – “Equine nutrition and hepatic metabolism” - MVR, April 12, 2002, and PhD in 2004 in collaboration with prof. A.C. Beynen
2010-2013	Carolien Munsters - "Exercise physiology and welfare in riding horses" – PhD in collaboration with prof. P.R. van Weeren
2011-2012	Catherine Werners-Butler - "Tick borne diseases in horses" – PhD – in collaboration with prof. T.A.E. Stout
2014-2016	Lotte Hardeman – ‘The potential role of Clostridium botulinum toxin in the treatment of equine laminitis’ – PhD, in collaboration with prof.dr. W. Back
2014-present	Mathijs Theelen – “Antibiotics and resistance in horses” – prepare PhD, in collaboration with prof.dr. J. Wagenaar

- *Co-editor*

Journal of Veterinary Internal Medicine (2011-2014)

- *Scientific Board*

Tijdschrift voor Diergeneeskunde (2001-2007)

Pferdeheilkunde (1996 – present)

Dier-en-Arts (2012 – present)

- *Member of external examining committee and opponent at PhD defence*

Ove Wattle	“Studies on the cytokeratins of the equine hoof wall, chestnut and skin, with special reference to laminitis” Uppsala, October 27, 2000
Kees van Maanen	“Equine herpesvirus 1 and 4 and equine influenza virus infections: diagnosis, epidemiology and vaccinology” Utrecht, January 11, 2001
Anneke Hallebeek	“Dietary control of plasma triacylglycerol metabolism in horses and ponies” Utrecht, March 7, 2002
David van Doorn	“Equine phosphorus absorption and excretion” Utrecht, November 27, 2003
Dax Vendrig	“Immunomodulation in foals, opportunities and challenges” Utrecht, August 29, 2013

- Francesca Scolemacchia “On surveillance systems and surveys for bluetongue and zoonotic diseases of ruminants”
Utrecht, December 3, 2013
- Deborah van Doorn “Development of equine strongyloides resistance to ivermectin and/or moxidectin”
Utrecht, May 27, 2014
- Kim Boerkamp “Clinical aspects and genetics of tumours in the flat-coated retriever”
Utrecht, December 11, 2014
- Sarah van Rijn ‘Prognostic factors for outcome of pituitary surgery in dogs with corticotroph adenomas’. Utrecht, June 2, 2015.
- Martin Schulman ‘The impact of herpesviruses on reproductive performance in horses’.
Utrecht, January 8, 2016.
- Femke Feenstra ‘Novel Bluetongue Vaccine Platform, NS3/NS3a knockout virus as disabled infectious single animal vaccine’. Utrecht, January 19, 2016.
- *opponent at PhD defence*
- Walter Jansen “Fat intake and apparent digestibility of fibre in horses and ponies”
Utrecht, January 10, 2001
- Nathalie van der Meide “Insect bite hypersensitivity”
Wageningen, September 13, 2013
- Janneke Sleutjens “The effect of the head and neck position on the equine athlete”
Utrecht, September 16, 2013
- *Gutachter Doktorarbeit Germany*
- Julia Breuer "Serologische Untersuchungen zum Vorkommen und Verlauf von Antikörpern gegen Lawsonia intracellularis bei Stuten und Fohlen"
Leipzig, June 2011.
- Stephan Recknagel „Seroprävalenz von Tetanustoxoid-Antikörpern bei Pferden in Mitteldeutschland und Evaluierung ihrer Bestimmung mittels eines immunchromatographischen Schnelltestes“. Leipzig, October 27, 2015.

Administrative activities

- *Departmental*
- 1992-2002 Member of the Application Committee Scientific Personnel
1993-1994 Member of the Congress Committee "Binnenstebuiten"
1995-2002 Member of the Derona-laboratory Committee
1995-2000 Member of the Audiovisual Committee
1995-2000 Member of the Computerization Committee
1998-1999 Member of the Reorganization Committee Department Equine Sciences
1999-2005 Member of the Clinical Coordination Committee

1999-2005 Member of the Editorial Board "Jolly Jumper" (Journal of the department)
 1999-2002 Member of the Scientific Symposium Committee
 2001-2007 Member of the Departmental Research Committee
 2001-2003 Member of the Departmental Teaching Committee
 2008-2012 Member of the Advanced Veterinary Medicine Committee
 2012-present Member of the Management Team Plus of the Department of Equine Science
 2012-present Chair of the Advanced Veterinary Medicine Committee
 2013-present Member of the "Symposium Paard" Committee
 2014-present Chair of the 'Hygiene Committee'

- *Faculty*

1996-2000 Member of the Faculty Research Committee
 1990-1998 Member of the Teaching Committee "Skin and mammary glands"
 1998-1999 Member of the Teaching Committee "Pathophysiology"
 1997-present Member of the Clinical Pharmacology Committee
 1999-2003 Member of the Clinical Rotation Committee Equine Sciences
 1998-1999 Member of the Committee for Housing Development of the Clinical Sciences
 2000 Member of the Curriculum Committee 2001
 2003-2007 Member of the Building Committee Equine Clinic
 2006-2010 Chair of the Teaching Committee Equine Clinical Rotation
 2006-2010 Member Teaching Committee Digestion
 2006-2010 Member Teaching Committee Dermatology
 2006-2011 Member Teaching Committee Animals in Science and Society
 2008-2009 Member of the Blueprint Committee Master Veterinary Medicine
 2011-present Member of the Master Teaching Committee (MOC-Equine)

- *National*

1985-2012 Veterinary Advisor of the Dutch Endurance Riders
 1991-2003 Veterinary Advisor of the Royal Studbook of the Netherlands (KWPN)
 1996-2000 Member of the Equine Formulary Committee
 1997-2011 Member of the Pharmacology Committee of the Group of Equine Practitioners
 2001 Member of the Committee "Permitted surgery in horses"
 1998-2009 Member of the Veterinary Committee of the National Equestrian Federation of the Netherlands (2006-2009 chair)
 1998-2003 President of the Association of Veterinary Specialists (GVS)
 1998-present Member of the Registration Committee of Veterinary Specialists
 1998-present Member of the Specialisation Committee Equine Internal Medicine of the KNMvD
 1998-2001 Member of the Editorial Board Veterinary Quarterly
 1999-2005 Board member of the Post Graduate Teaching Society
 2000-2004 Co-ordinator of the "Qualified Equine Practitioner Courses" of the KNMvD
 2001-present Secretary of the KNMvD Specialists in Equine Internal Medicine
 2001-2007 President of the Board of the Netherlands Journal of Veterinary Science (Tijdschrift voor Diergeneeskunde)
 2004-2007 Member of the Supervising Board of the KNMvD (Royal Netherlands Veterinary Association)
 2002-present President of the Board of Animal Arbitrage of the Netherlands
 2004-present Chair of the KWPN Laryngeal Hemiplegia Committee (Royal Studbook of the Netherlands)
 2008-2010 Member of the Postgraduate Teaching Committee for Equine Veterinarians
 2008-2018 Member of the Council for Animal Affairs (RDA)
 2009-present Veterinary advisor of the National Equestrian Federation of the Netherlands

(KNHS)

- 2011-present Member of the Equine Antibiotics Formulary Committee
- 2011-present Chair of the Pharmacology Committee of the Group of Equine Practitioners
- 2013-present Member of the Expert Panel Veterinary Infectious Diseases for Department of Economic Affairs
- 2013-2014 Member of the Advisory Board for the Netherlands Veterinary Journal
- 2014-present Member of the Board of the Netherlands Equine Veterinary Association
- 2015-present Chair of the Animal Disease Group of the Sectorraad Paarden
- 2015-present Chair of the Equine Health Group of the Netherlands

- *International*

- 1996 Member of the Scientific Committee of the 15th meeting of the Association of Equine Sports Medicine, Bonn, Germany, 1996
- 1996-1998 Board member of the Association Equine Sport Medicine (AESM)
- 1996-2000 Member of the Sports Medicine Committee of AAEP (American Association of Equine Practitioners)
- 1996-present Member of the “Wissenschaftliche Beirat Pferdeheilkunde”
- 1997-2012 Member of the Scientific Committee of the CESMAS (Conference Equine Sport Medicine and Science)
- 1998-2001 Member of the Scientific Editorial Board of the Veterinary Quarterly
- 1998-2003 European Representative of the Association of Equine Sports Medicine
- 2002-2005 Council member of the British Equine Veterinary Association (BEVA)
- 2002-2008 President of the Board of the European College of Equine Internal Medicine (ECEIM)
- 2008-2011 Past-president of the Board of ECEIM
- 2001-present Head Veterinarian (Chief Veterinarian) for the Federation Equestre International (FEI) for The Netherlands
- 2002-2011 Member of the European Board of Veterinary Specialisation (EBVS)
- 2011-2014 Associate editor Journal of Veterinary Internal Medicine - Large Animal, Equine

Last but not least!

For me the most important thing in life:

Anneke, Boudewijn, Marianne and Ellen Sloet - Nystølen - Norway, January 1, 2012
